

Mehlville High School

Football Games

Middle School Student and Guardian Information and Expectations

Our goal is to provide a fun, safe, and engaging opportunity for middle school students and families to support our high school student-athletes as they perform in football, band, dance, and cheer. The following expectations are in place to ensure that all who attend the games have this opportunity.

Middle School Students:

- Students will be admitted for \$2 with a valid ID and guardian escort.
 - Unsupervised students will not be permitted entry.
- The student code of conduct for school extends to all Mehlville school events. Students running, throwing objects, using profanity, or causing other disruptions will be required to sit with their guardian for the remainder of the game.
 - If the student's guardian is not present, an administrator on duty will call home and escort the student to the front gate to wait to be picked up.
 - There will be no refunds if a student is removed from the game before its conclusion.
 - If a guardian has to be called about a student's behavior, the student will not be admitted to a football game for the remainder of the year.
 - Significant disruptions and policy violations are subject to further disciplinary action.
- Students are not permitted to bring footballs, soccer balls, etc. to games. Balls will be confiscated at the gate or by administration if brought to stadium.
- Students still on campus 15 minutes after the conclusion of a game will not be permitted to return to a game for the remainder of the season.

Middle School Guardians:

- Do not drop your student off unattended at the football game. It is expected that guardians supervise their student(s).
- Please review expectations of behavior with your student(s) before arrival and arrange for a meeting location at the end of the game.
- If your student is brought to you in the bleachers, please make sure your student remains with you for the duration of the game.
- As stated above, please be aware that students still on campus, unsupervised, 15 minutes after the conclusion of an event will not be permitted to attend future events.
